

DANIELSON AND PUTNAM NEWS

DANIELSON

Death of Mrs. Eliza Lyon—Lone Bandit Holds Up Auto Party—Pentecostal Church Dedication—Entry Day at Brooklyn Fair.

Mrs. Corinne Martin and Arthur Martin of Worcester are visiting Philip Seguin of the West Side. Alfred L. Reed was in Boston Tuesday on a business trip.

James C. Meagher of Providence called on friends in Danielson Tuesday.

Mrs. William H. Chapman, who has been spending the summer with relatives at Concord, N. H., has returned to her home on the West Side.

A. E. St. Onge of Providence, formerly of Danielson, was a visitor with friends in town Tuesday.

Walter Murphy and Telephone Wolsard were in Providence Tuesday.

Mrs. Ashley P. Mills of Boston is visiting her mother, Mrs. William Chapman.

F. E. Blagden was in Boston Tuesday.

Adelard Morin of Norwich called on friends here Tuesday.

Assistant Postmaster Raymond Allen is away on his vacation this week.

Recovering from Injuries.
Small Godeau, who was injured in an automobile accident near Narragansett Pier a few weeks ago, is making only slow progress toward recovery.

Improving New Property.
John Phillips, who recently purchased the Dr. W. E. Hyde property on Academy street, is making improvements to the dwelling.

The selectmen, town clerk and registrars are to meet in the selectmen's room Saturday for the purpose of making voters.

To Preach at Dayville.
Rev. Frank Louis Bristol will preach one Sunday evening a month, beginning October 8, at the Congregational church in Dayville, the effort being to make a pleasant, popular and interesting Sunday evening service.

OBITUARY.

Mrs. Eliza Lyon.
Announcement was received here on Tuesday of the death at Providence of Charlotte D., wife of Eliza Lyon. Mrs. Lyon was for many years a resident of Danielson, living at the Westcott place on Main street. The body is to be brought here Thursday for burial. The deceased is survived by her husband.

AUTO PARTY HELD UP.
Lone Bandit in Waterman's Woods Gets Money and Valuables.

Crews on the cars of the Rhode Island company told Tuesday of a hold-up reported to them as having occurred in Waterman's woods, far over the Rhode Island line. The hold-up was of an automobile party and was performed by a lone bandit.

The man was described to the car crews, who were asked to be on the lookout for him as about 35, well built, wearing a brown suit and brown derby hat. He did not board any of the cars, however.

The car crews understood that the highwayman got away with what money and valuables the members of the automobile party had with them.

Waterman's woods are notorious as dangerous for travelers, many hold-ups have occurred there during the past few years and eight murders have been done there within the memory of the present generation. One of the last was recalled here Tuesday. An old man, a few years ago, was driving through the woods when he was accosted by a man who ordered him to throw up his hands. The old man's reply was a swinging slash of his horsewhip over the bandit's neck. The highwayman whipped out a revolver and shot the old man dead.

PENTECOSTAL CHURCH

To Be Formally Dedicated Today—Cosy Structure Accommodates 200.

The new church of the denomination of the Pentecostal Church of the Nazarenes, on Academy street, will be dedicated today (Wednesday). The final touches were given to the new edifice Tuesday and those who enter its doors for the first time at today's services will find a cozy little church home that is very much to the credit of the enterprise of the workers of the organization.

The church is wood. It has been erected during the past summer after several years had elapsed during which preparation for its construction has been under way. The members of the church had found it no easy matter to finance their project, but they kept at the task and now come into a realization of the benefits of their faith and labor.

The site for the church was purchased from Charles M. Adams during the pastorate of Rev. F. W. Armstrong, now pastor at Putnam, and the edifice built during his administration of the affairs of the local church. Since that time the work of getting a church building fund together has gone slowly but steadily forward and the results achieved prove fully compensating for all the effort expended.

Rev. W. H. Raymond, the present pastor, is entitled to much credit for the leading and energetic part he has taken in the work.

The new church is not elaborate, but is a nicely arranged, cheery place of worship. It will seat about 200 comfortably. It is the first Pentecostal church to be erected in Windham county, where the denomination has been laboring for a number of years.

Has Had Many Public Honors.
Hon. Frank P. Warren, who was nominated at Putnam Tuesday as the democratic candidate for senator from the Twenty-eighth district, is a citizen of Killingly who has previously had many public honors conferred on him.

In 1884, 1897, 1907 and 1911 he represented Killingly, his native place, as a member of the state legislature. He has been a selectman and is at present chairman of the town school committee and an auditor of the town.

In April of the present year he completed a term as warden of the borough of Danielson, declining to stand for re-election. Mr. Warren did not seek the nomination for senator; in fact, accepted it after much urging and upon consideration that he was not opposed in his party for the place.

BROOKLYN FAIR.
Entry Day on Tuesday—Big Exhibits Entered.

Tuesday was entry day for Brooklyn fair. This was early made evident in Danielson by the number of exhibitors, concession men and others who were anxious to get over to the grounds. At the office of Secretary J. B. Stetson everybody was on the hustle all day Tuesday. The mass of entries that came in kept the office force on the jump and the indications Tuesday night were for the most successful fair in years. Good weather is the only thing needed to make this an assured fact.

Unusually heavy entries have come in the poultry, vegetable and fruit departments, and the cattle show, it was indicated Tuesday night, will be first class.

In the exhibition building, Tuesday afternoon, exhibitors, including the granges, were getting their displays in order.

A Bull Moose Test.
Daniel Rork gave a reunion for his grandchildren at his farm in Atholton county the other day. There were eleven boys, grandsons, and all voters, present. Mr. Rork is a strong Roosevelt man and supposed that most of his grandsons were, too. He took a vote among the eleven boys and was greatly shocked when Roosevelt didn't get a vote.—Kansas City Journal.

PUTNAM

Judge Gager to Hear Water Commission's Report Today—Frank P. Warren Democratic Nominee for Senator—George E. Davis Principal in Chelsea.

Judge Gager will come here to open the superior court at 1 o'clock this (Wednesday) afternoon for the acceptance of the report of the special commission awarding the plant and property of the Putnam Water company to the city of Putnam. As cases are not ready for trial, it is probable that this will be the last day of court.

Seventy-one to Be Made.
The selectmen, town clerk and registrars of voters are to be in session at the town and city building on Saturday of this week for the purpose of making voters. Seventy-one applications to be made have been received. With the removals, restorations and addition of new names to the voting list, it is not expected that there will be any great change from what the total voting strength of the town was last year.

Air Line Special to Be Taken Off.
When the winter schedule of train service on the Midland division goes into effect at the beginning of the coming month there will not be much change from the schedule in force last winter, as far as this city is concerned. The Air Line special, express from Fitchburg to New York via Worcester, Webster and this city, is to be taken off, although a petition asking that it be continued has been circulated in Fitchburg and Worcester.

Principal at Chelsea.
George Eugene Davis, a Thompson boy, has been elected principal of the Chelsea (Mass.) High school. Mr. Davis was considered for appointment as principal after Principal C. C. Spratt resigned this year and is regarded as an educator who has a great future, indicated by the successes he has already achieved. Principal Davis has been assistant principal in Hartford High school.

Parishioners Co-operate With New Pastor.
Rev. Charles F. Bedard, new pastor of St. Mary's church in this city, is meeting with fine success at the beginning of his administration. It has been announced that the church revenues from regular collections each Sunday have shown a marked increase, in some instances being double the amount previously received.

Survey for State Road Completed.
State Division Engineer F. Walden Wright of this city has completed the survey for the state road to be built from the Rhode Island state line at Little Rock to Danielson and is now engaged in making the maps, which are well advanced. The state of Rhode Island has practically completed the work of building the connecting link of macadam to the Connecticut line, from where the road to Danielson will be extended next year.

Crossed Rhode Island Border to Wed.
Marriage licenses issued at the office of the town clerk, David Flagg, show that Miss Jeanette Vitale, 21, and Nathan L. Burgess, 28, both of Providence, came to this city to be married Monday.

Mail Unclaimed.
Letters addressed to the following persons are unclaimed at the Putnam postoffice this week: Annie F. Johnson, Mrs. Esther Davidson, Miss Ruthford, Mrs. Jennie Wray, W. C. Ball, William Gun, Dr. Boylston, John Evans.

The conductors of the Connecticut company on the Putnam lines are relieved of the necessity of calling the attention of passengers to the rule against riding on the running boards since the closed cars have come back into service.

Representatives of the state highway department and contractors who are interested in setting the work will be in Warrenville today (Wednesday) to inspect a piece of highway to be completed this fall.

Two persons in the neighboring town of Webster are suffering from ptomaine poisoning as the result of eating macaroni, it is believed.

This city will have a numerous representation at the fair of the Windham County Agricultural society in Brooklyn today.

Pleasing Act at Theater.
Leghant and McLennan had a singing and talking act at the Bradley theater Tuesday that brought forth much favorable comment on their ability as vocalists.

Heard About the City.
Local Greeks have financial interest in the store of the Boston candy kitchen at Danielson closed by attachment.

Complaint is heard that considerable thieving is being done from gardens and orchards in this section.

Her A. Sebring of South Framingham was a visitor with friends in Putnam Tuesday.

Great uncertainty prevails in Putnam as to the party nominees in the legislature this fall, this applying to both republicans and democrats.

In observance of a feast day, the pupils at St. Mary's parochial school were given a half holiday Tuesday.

STAFFORD SPRINGS.
Borough Delegates at Norwich Convention—Meeting of Business Men's Association.

W. E. Hanley, C. R. Pinner, J. Allen Mix and P. E. Fitzpatrick were in Norwich Monday, attending the democratic congressional convention.

Favorable reports are received from Carl Mullin, who was operated on for appendicitis at the Hartford hospital several days ago.

Superior Court Case.
The case of the Richardson Manufacturing company against Turner brothers will be tried in the superior court in Rockville Monday; and that of the Ebling Brewing company vs. Romano Serafino on Thursday.

Henry J. Potter of Putnam, agent of the board of education, was in town on business Monday.

Herman Rawlins of New York was in town Monday.

The meeting of the Stafford Springs business men's association will be held at the Springs house this (Tuesday) evening.

Why Physicians Recommend Castoria

CASTORIA has met with pronounced favor on the part of physicians, pharmaceutical societies and medical authorities. It is used by physicians with results most gratifying. The extended use of Castoria is unquestionably the result of three facts: **First**—The indisputable evidence that it is harmless; **Second**—That it not only allays stomach pains and quiets the nerves, but assimilates the food; **Third**—It is an agreeable and perfect substitute for Castor Oil. It is absolutely safe. It does not contain any Opium, Morphine, or other narcotic and does not stupefy. It is

unlike Soothing Syrups, Bateman's Drops, Godfrey's Cordial, etc. This is a good deal for a Medical Journal to say. Our duty, however, is to expose danger and record the means of advancing health. The day for poisoning innocent children through greed or ignorance ought to end. To our knowledge, Castoria is a remedy which produces composure and health, by regulating the system—not by stupefying it—and our readers are entitled to the information.—*Hall's Journal of Health.*

The Kind You Have Always Bought and which has been in use for over 30 years, has borne the signature of Chas. H. Fletcher, and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

GENUINE
CASTORIA

Bears the Signature of

Letters from Prominent Physicians Addressed to Chas. H. Fletcher.

Dr. W. L. Leister, of Rogers, Ark., says: "As a practicing physician I use Castoria and like it very much."

Dr. W. T. Seeley, of Amity, N. Y., says: "I have used your Castoria for several years in my practice and have found it a safe and reliable remedy."

Dr. Raymond M. Everts, of Santa Ynez, Cal., says: "After using your Castoria for children for years it annoys me greatly to have an ignorant druggist substitute something else, especially to the patient's disadvantage, as in this case. I enclose herewith the wrapper of the imitation."

Dr. R. M. Ward, of Kansas City, Mo., says: "Physicians generally do not prescribe proprietary preparations, but in the case of Castoria my experience, like that of many other physicians, has taught me to make an exception. I prescribe your Castoria in my practice because I have found it to be a thoroughly reliable remedy for children's complaints. Any physician who has raised a family, as I have, will join me in heartiest recommendation of Castoria."

Dr. W. F. Wallace, of Bradford, N. H., says: "I use your Castoria in my practice, and in my family."

Dr. Wm. L. McCann of Omaha, Neb., says: "As the father of thirteen children I certainly know something about your great medicine and aside from my own family experience, I have, in my years of practice, found Castoria a popular and efficient remedy in almost every home."

Dr. Howard James, of New York, City, says: "It is with great pleasure that I desire to testify to the medicinal virtue of your Castoria. I have used it with marked benefit in the case of my own daughter, and have obtained excellent results from its administration to other children in my practice."

Dr. J. R. Clausen, of Philadelphia, Pa., says: "The name that your Castoria has made for itself in the tens of thousands of homes blessed by the presence of children, scarcely needs to be supplemented by the endorsement of the medical profession, but I, for one, most heartily endorse it and believe it an excellent remedy."

Dr. B. Halstead Scott, of Chicago, Ill., says: "I have prescribed your Castoria often for infants during my practice and find it very satisfactory."

Dr. William Belmont, of Cleveland, Ohio, says: "Your Castoria stands first in its class. In my thirty years of practice I can say I never have found anything that so filled the place."

Dr. R. J. Hamlen, of Detroit, Mich., says: "I prescribe your Castoria extensively as I have never found anything to equal it for children's troubles. I am aware that there are imitations in the field, but I always see that my patients get Fletcher's."

Dr. Channing H. Cook, of Saint Louis, Mo., says: "I have used your Castoria for several years past in my own family and have always found it thoroughly efficient and never objected to by children, which is a great consideration in view of the fact that most medicines of this character are obnoxious and therefore difficult of administration. As a laxative I consider it the peer of anything that I ever prescribed."

Dr. L. O. Morgan, of St. Amely, N. J., says: "I prescribe your Castoria every day for children who are suffering from constipation, with better effect than I receive from any other combination of drugs."

Dr. H. J. Taft, of Brooklyn, N. Y., says: "I have used your Castoria and found it an excellent remedy in my household and private practice for many years. The formula is excellent."

Dr. Wm. L. Roserman, of Buffalo, N. Y., says: "I am pleased to speak a good word for your Castoria. I think so highly of it that I not only recommend it to others, but have used it in my own family."

Dr. F. H. Kyle, of St. Paul, Minn., says: "It affords me pleasure to add my name to the long list of those who have used and now endorse your Castoria. The fact of the ingredients being known through the printing of the formula on the wrapper is one good and sufficient reason for the recommendation of any physician. I know of its good qualities and recommend it cheerfully."

Chas. H. Fletcher.
